Dear General:

We are delighted you have consented to join us for the third annual Senator's Conference with Youth in Oklahoma City on Friday, February 13, 1976.

I thought you would want a few more specific details regarding the program and your presentation. The group will be composed of approximately 200 students, the majority being high school seniors. We would like for you to keynote our luncheon which will begin at 12:30 pm and end at 2:00 pm. We would then like to request that you participate from 2:00 until 5:15 in three 1-hour smaller groups in question and answer exchange sessions with the students.

From past conferences, we have found that students are very interested in printed materials. These often help them to better understand the presented subject and help them in formulating their questions to you. If you find that handouts will be appropriate with your discussion, we would appreciate you mailing them to my Oklahoma City office in advance so they may be added to the packet each student will receive. The mailing address is: 215 N.W. Third Street, Suite 812, Oklahoma City, 73102.

There are also a few details we will need to know regarding your travel arrangements. We specifically need to know:

ARRIVAL DATE AND TIME  
DEPARTURE DATE AND TIME  
DO YOU NEED HOTEL ACCOMMODATIONS?

If there is anything we can do for you during your stay in Oklahoma City, I hope you will not hesitate to ask. We will be contacting your office in the next week to obtain this information and in the meantime,

General Vernon Walters  
January 28, 1976

please feel free to call Don Cogman, my Administrative Assistant, if there are any other questions we can answer.

We look forward to seeing you in Oklahoma and greatly appreciate your willingness to participate in the third annual Senator's Conference with Youth.

Yours very truly,

  
Dewey F. Bartlett

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 27 January 1976

1. [ ] SKM) LIAISON Took a call from Jack Ticer, Senate Armed Services Committee staff, who wanted to know the members of the Committee staff who had attended the 19 February 1975 hearing in which the Director testified. I told him they were Ed Braswell, Clark McFadden, and Edward Kenney.

2. [ ] DFM) LEGISLATION Called Tom Smeeton, on the staff of the House International Relations Committee, regarding the proposed Harrington Amendment to the International Security Assistance Act of 1975, which would eliminate covert action. I arranged to deliver some materials which Representative William Broomfield (R., Mich.) could use in opposing the amendment in Committee.

3. [ ] WPB) LIAISON Received a call from Peg Cuthbertson, Press Assistant to Senator Alan Cranston (D., Calif.), and gave her the names and terms of office for the last four Directors.

4. [ ] WPB) HEARINGS Sat in on Richard Helms' testimony before the Senate Government Operations Committee, which is holding hearings on oversight of the Intelligence Community. Senator Abraham Ribicoff (D., Conn.) stated that mark-up of oversight legislation will commence February 16.

5. [ ] RJK) LIAISON Spoke with John Holstien, on the staff of the House International Relations Committee, who advised that Representative John H. Buchanan (R., Ala.) would be unable to be present at the briefing scheduled for him at 4:00 p.m. tomorrow. He requested that we reschedule the briefing for 4:00 p.m. on Tuesday, 3 February, in Representative Buchanan's office. I told him I would be back in touch. [ ] who will be handling the briefing, and [ ] office, OCI, have been advised.

6. [ ] RJK) LIAISON Spoke with Clyde Mark, on the staff of the Congressional Research Service, Library of Congress, concerning his earlier request for information on the military strength of the Palestine Liberation Organization. He said the figures we provided helped to confirm his own research on the subject.

7. [ ] PLC) LIAISON Accompanied [ ] OC/NED/DDS&T, who briefed Paul Leventhal, David Hoffmeister and Connie Evans, staff members of the Senate Government Operations Committee. The briefing concerned the proliferation of nuclear energy materials and information was for background use in connection with a bill on proliferation introduced by Senator Abraham Ribicoff (D., Conn.). See memo prepared by [ ]

8. [ ] PLC) LEGISLATION Called Bob Hull, Department of State, and requested loan of material: he has prepared explaining State's funding of their legislative proposal for the Foreign Service Retirement program. He said he would appreciate any comments we might have which may be of assistance when they make their presentation on their bill later in this session of Congress. The material will be forwarded to Tom Yale and [ ] OF, for their review.

9. [ ] PLC) LEGISLATION Called George Gilbert, OMB, and informed him that the Director had sent a letter to Mr. Lynn, OMB, requesting that OMB forward the Agency's proposal to protect intelligence sources and methods to the Congress. Gilbert expressed some concern that OMB might not be able to get a decision from the White House in time to meet the request.

Later in the day, George Gilbert called me back to advise that OMB will not now be clearing the Agency's proposed legislation to protect intelligence sources and methods as the President has decided to personally submit the proposal to the Congress. It is not clear as to when the President will make his submission.

10. [ ] WPB) ADMINISTRATIVE - DELIVERIES Delivered a floor statement on Angola and comments from a newspaper column by Henry J. Taylor on detente to Ralph Preston, on the House Appropriations Committee staff.

11. [ ] - RJK) LIAISON Spoke with [ ]  
on the staff of Representative John T. Myers (R., Ind.). She  
[ ]  
[ ] I explained the difference  
between the two organizations and sent her the information she  
requested.

12. [ ] - RJK) LIAISON Received a call from  
Clara Buchanan, on the staff of the Senate Foreign Relations  
Committee. She requested an updated Agency Chiefs of State  
publication, which I said we would send to her. She also requested  
a China atlas and I told her that none was available at this time but  
we hoped to have some before too long.

13. [ ] GLC) LIAISON John Goldsmith, Senate Armed  
Services Committee Staff, called and asked if I would send a message to  
the field thanking [ ] for the help he gave Goldsmith during his  
(Goldsmith's) recent visit to [ ] I told him I would be glad to send  
the cable.

14. [ ] - GLC) LIAISON Mr. Lewis Hunter, GAO, called  
again concerning the study GAO is doing on personnel overseas. I told him  
our people did not feel that they could talk about our staffing process without  
getting into substance. He asked if we could talk with his people so they  
could at least let us see what their study consists of. I told him I would pass  
his message on.

15. [ ] - GLC) LIAISON Dorothy Fosdick, Senate Govern-  
ment Operations Committee, called and asked about the footnote to the  
House Select Committee report which mentioned Senator Henry M. Jackson  
(D., Wash.). I told her basically what it said. I also told her we could  
find no record of the 24 February 1973 memo being transmitted to the House  
Select Committee. Ms. Fosdick asked if we would send her a copy of the  
footnote right away and I agreed to do so. She said the Senator should deny  
everything in the memo since he is not quoted correctly. She said  
it was obvious that there never should have been a memo on this kind of  
thing in the first place. I told her we had to keep records of things like  
this and that we were "damned if we do, and damned if we don't."

I later called Ms. Fosdick and underscored the fact that even though  
the footnote was not stamped with a classification, it should be handled as  
classified. She said she understood and would control it.

16. [ ] - GLC) LIAISON Called Don Cogman, Senator Dewey Bartlett's (R., Okla.) staff, and told him that General Walters would speak to the 300 students from Oklahoma in Oklahoma City on 13 February. I said General Walters wanted to clear this with Ambassador Bush when he is on board, but we doubted there would be any problem. Cogman said he would wait to hear definitely from us. He asked if we could send him a picture and biography of General Walters, and I agreed to do so.

18. [ ] GLC) BRIEFING Had several phone conversations with Bruce Van Voorst, Senator Dick Clark's (D., Iowa) staff, re their desire to have an Agency representative testify in open session on Thursday, following Dr. Kissinger, on U.S. interests in Angola. I did not seem to be making much headway in convincing Van Voorst that this was not a good idea, so I read him a letter I had drafted for Mr. Colby's signature, stating that, under the circumstances, he thought an appearance on Thursday would be inappropriate.

19. [ ] - THW) ADMINISTRATIVE - DELIVERIES  
Delivered to Clara Posey, on the staff of the House Office of the Minority Leader, [ ]

Also delivered to Guy McConnell's secretary, Senate Appropriations Committee staff, [ ]

20. [ ] - THW) LIAISON Picked up from Dick Kimmel, on the staff of the Joint Committee on Atomic Energy, a sealed envelope addressed to Director Colby.

21. [ ] - THW) LIAISON I met with Representative Dale Milford (D., Texas) and discussed with him various aspects of the House Select Committee report and possible parliamentary motions in connection therewith.
